## Multiple Sclerosis Association BBQ

Lincoln Park • Seattle, WA • August 16, 2006

King County  
Elections

The King County Multiple Sclerosis Association BBQ took place on the beach at Lincoln Park and included games, food, art, and laughter.

Located in a central area, the Outreach Team set up the accessible voting unit (AVU) where it was easily accessible. Individuals who cast practice ballots on the machine provided valuable feedback on the ease of use and positive impact the machine will have for members of their community.

The Outreach Team received several recommendations for other organizations and groups to offer demonstrations to.

Several of attendees needed to register to vote while a few others changed their addresses.

Volunteers set the scene for the BBQ.

### MS Association History

The Multiple Sclerosis Association of King County strives to provide direct rehabilitative and social services to individuals with MS and their families in King County by offering information and referral services, professional counseling services, workshops and volunteer support.

The King County chapter of the MS Association was founded in 1956 by Martha MacFarlane to assist people living with MS to live a fuller, healthier, more independent life. The MS Association of King County survives on donations and volunteers to assist the association in staying in business.
